INT. CRUISE SHIP/CABIN 420 - LATER

XCU on John Doe's eyes as they slowly flutter open. John Doe is laying in bed with a confused looking face.

John Doe slowly gets up, rubbing his eyes and then stretching his arms out while yawning.

John Doe notices out the corner of his eye that something is laying on the floor next to the door. It is an envelope. He picks up the envelope as he rips it open.

There is a card inside with a SYMBOL on it:

GRAPHIC: WORMHOLE SYMBOL

John Doe's POV of card as the card starts spinning.

HUMMING SOUND CONTINUOUS.

A tired looking John Doe steps out into the hallway, closing the door behind him.

John Doe slowly starts to wander through the empty hallways.

John Doe steps onto an elevator as the elevator takes him up to the next deck.

John Does steps off the elevator onto the recreational deck with a view of a full moon in the sky.

John Doe wanders up to a jacuzzi as he climbs in and turns on the jets as the water begins to circulate in a swirling motion.

The current from the jets progressively get stronger like a riptide as John Doe begins to get pulled under as he flails his arms about while his head and the rest of his body submerges beneath the swirling current.

HUMMING SUBSIDES.

BENEATH THE WATER John Doe exhales his last breath.

The water all around him begins to PULSATE.

SFX of HEART BEATING in sync with the pulsating water.

The water DISSOLVES/MORPHS into smoke that pulsates in sync with the HEART BEATING.
